AGREEMENT FOR SERVICES AS UNITED STATES AGENT UNDER FDA REGULATIONS AT 21 CFR PART 1, SUBPART H

This Agreement is between WTLogistics ("Agent"), and "Company" (as identified below). Agent offers services to food companies pursuant to US FDA regulations at 21 CFR Part 1, Subpart H, (the "Regulations"), requiring appointment of a resident US agent. Company wishes to engage the professional services of Agent for the purpose of maintaining uninterrupted compliance with the Regulations. Therefore, in consideration of the mutual promises herein contained, and other good and valuable consideration, the parties agree as follows.

1. TERM. This Agreement shall become effective on _____ (the "Effective Date") and shall continue in full force and effect until terminated by either party upon at least 60 days' prior written notice.

2. ENGAGEMENT FEE. Company shall pay Agent a fee to act as its US Agent, starting on the Effective Date. The fee, for one facility, is \$500 for the first year (365 days beginning with the Effective Date) and \$300 for each subsequent year. The fee for each additional facility is \$150 per facility on the first year and \$100 per facility each subsequent year. The first year's fee is due and payable upon signing this Agreement. FDA requires each separate facility to submit a separate registration. "Facility" is defined at 21 CFR § 1.227. Fees shall be paid in US currency, by Visa or MasterCard, American Express or Discover Card. Invoices are due and payable upon receipt. Invoices not paid within 30 days of the date rendered will be subject to interest charged at the rate of 1.25 percent per month. During the course of registration, if Agent determines that registration is not necessary for any given facility under available FDA rules, Agent shall prepare a letter to Company explaining that registration is not required, and setting forth the basis for this legal determination.

- iii. Accept all calls, email and written communications ("Information") from FDA regarding the Company and/or its products and accurately convey the same to Company, within 2 business days, excluding Saturday, Sunday and US holidays. Agent will convey the Information to Company by phone, email, mail or FedEx as Agent deems appropriate. There is no extra charge for conveying Information to Company except FedEx will be charged to Company at Agent's actual cost. Agent reserves the right to charge a reasonable fee if it becomes necessary to convey Information to Company more than 50 times per year.
- iv. Update the Form within 10 days of receiving updated information from the Company or as otherwise agreed. There is no extra charge for submitting updates except Agent reserves the right to charge \$50 per update for submitting more than two updates per year. Agent shall be allowed an extra 5 days to update the form if Company provides information in a language other than English.

B. Absent a separate agreement to the contrary, Agent shall not:

- i. Provide any legal, business or other advice outside the scope of the Regulations.

4. DUTIES OF COMPANY

A. Within 3 days of signing this Agreement, Company shall provide Agent with:

- i. Substantially all of the information required to be submitted on the Form.

If the Company terminates this Agreement under this section it will not be entitled to a refund of fees paid. If Agent terminates this Agreement, Agent will refund a prorated portion of the Fees.

7. GENERAL. Company acknowledges that the duties of Agent under this Agreement are limited to those set forth in the Regulation and that Agent is not involved in the formulation, sourcing, promotion, marketing, inspection, quality control, sale, or manufacture of Company's products.
